## 2016-2017 Corporate Sponsorship Package

---

### **BECOME A CORPORATE SPONSOR**

The Carnegie Mellon University chapter of the Society of Hispanic Professional Engineers would like to invite you to become a Corporate Sponsor for the 2016-2017 year. The following packet has information about our organization, what we do, and how your company can contribute to the development of our chapter.

### **HISTORY**

The Society of Hispanic Professional Engineers began with the goal of forming a group of engineers who could serve as role models for the Hispanic/Latino community in areas of science, technology, engineering and math. The CMU SHPE chapter strives to empower our community through support and by providing access to various resources. We want our members to grow throughout their college career so that they can impact the world as well-rounded engineers. Our members are dedicated to being leading innovators and influential members of society.

### **CHAPTER MISSION**

CMU SHPE strives to provide our members with opportunities to develop professionally and academically. We want our members to develop leadership and valuable skills they need in order to succeed throughout their college career and beyond. A crucial component of helping our members succeed is the help we receive from our corporate sponsors. Through collaborations and sponsorships from our corporate donors, we are able to provide various opportunities and events for our members such as:

- Annual National SHPE conference
- Professional Development Workshops (Resume Reviews, Interviewing Skills)
- Fall & Spring Corporate Mixers
- Community Outreach Events

## **ANNUAL NATIONAL SHPE CONFERENCE**

A large portion of the donations we receive from our corporate sponsors goes towards funding expenses our members have from going to the annual SHPE National Conference. This upcoming year, we will be going to Seattle, WA in November 2016. The overall expense ranges up to \$12,000 (hotel, registration, travel). We do our best in helping our members financially and we would not be able to fund our events without our sponsors. We thank you for contributing to the success of our members!
